

Contrive Solutions

Dated: November 5, 2020

To Whomsoever It May Concern,

It is a pleasure to write on behalf
Contrive Solutions from April 1, 2
Developer.

He has worked on programming languages like JavaScript, Angular, MySQL, HTML, CSS and has been able to cater to diverse needs. His work has demonstrated his knowledge of programming languages and his ability to lead projects and ensured that important projects are completed on time. He has the natural leadership qualities, and his technical skills are his most valuable assets.

We wish him good luck and success in his new venture.

Sincerely,

Rohan Jalil

CEO

Contrive Solutions
